

Dear Stockholder:

YOUR VOTE IS IMPORTANT TO YOUR INVESTMENT

Your vote is urgently needed at the DermTech, Inc. Annual Meeting of Stockholders to be held on Wednesday, May 31, 2023.

According to our records, you have not yet submitted your instructions. We would appreciate you being represented at the Stockholder's Meeting.

We've made significant progress in 2023 bringing our potentially life-saving test to patients across the U.S., and we need your vote to continue to expand our technology, improve access to our test and grow our business in the future.

A majority favorable vote of all shareholders is required for approval. By voting today, you not only have your vote represented, but will help avoid the added costs of adjourning the meeting if an insufficient number of votes are not received.

EASY WAYS TO ALLOW YOUR VOTE TO BE COUNTED

For your convenience, we have provided you with the enclosed proxy voting form to submit your vote today.
